Activating by Universal Plugin Manager

Activation by Universal Plugin Manager is done s follow ...

- 1. Go to Atlssian Marketplace and search for Users and Group Management by Project Manager
- 2. Click Try free to begin a new trial or Buy now to purchase a license
- 3. Enter your information and click Generate license when redirected to MyAtlassian.
- 4. Click Apply license.

If you're using an older version of UPM, you can copy and paste the license into your JIRA instance.
