

# Installing Plugin

To install **Users and Group Management for Project Manager**:

1. Log into your JIRA instance as a **JIRA Administrator**.
2. Open **Administration** section and go to **Find new add-ons** from the left-hand side of the page.
3. Locate **Users and Group Management for Project Manager** via search.

*The appropriate add-on version appears in the search results*

4. Click **Try free** to begin a new trial or **Buy now** to purchase a license for **Selected plugin**.

*You're prompted to log into MyAtlassian. The plugin begins to download.*

5. Enter your information and click **Generate license** when redirected to MyAtlassian.
6. Click **Apply license**.

*If you're using an older version of UPM, you can copy and paste the license into your JIRA instance.*
