

# Upgrade Notes for 1.8

## Overview

For this upgrade, there is no manual action required.

All needed migration are performed by Upgrade Tasks :

- **fr.alkaes.myaawf.upgrade.UpgradeTask\_004** : It is provided in order to correct missing Workflow Function migrations (again 😞).

## Details for UpgradeTask\_004

Find below the list of Function migrated :

| Function Type | Old Full Qualified Class Name                                          | New Full Qualified Class Name                                               |
|---------------|------------------------------------------------------------------------|-----------------------------------------------------------------------------|
| conditions    | com.atlassian.jira.workflow.condition.AllowReporter                    | fr.alkaes.myaawf.workflow.condition.AllowReporter                           |
