

# Define a Group Delegation

## Overview

As **Granted User** with the permission **Manage Group Delegation**, you will be allowed to define which groups will be delegated in which Projects.

## Access Group Delegation page

To access to this feature :

1. You require the permission **Manage Group Delegation**.
2. Go to the **User Management** section
3. And click on **Groups Delegations**.

The displayed page looks like ...

USER MANAGEMENT

Users

Groups

Groups Delegations

JIRA user server

USER DIRECTORIES

User Directories

### Group Delegations

Specify here for each Project(s)/Group(s), the Level of Delegation (Project Administrator, Group's Members or Allowed users by Permissions)

Filter on Project / Group

Select a project ▼

Select a group ▼

Filter on selected project

Filter on selected group

Apply Filter

List of Group Delegation

## Search for existing Group Delegations

From this page, you will be able to filter your search depending on the **Project** and/or the **Delegated Group**.

When applying the filter, the matching **Delegated Group** will be displayed with defined **Group Delegations**.

Filter on Project / Group

### List of Group Delegation

## Create a new Group Delegation

It will allow you :

- | Project   | Group   | Default   | Group Delegations |
|-----------|---------|-----------|-------------------|
| Project A | Group A | Default A | Delegation A      |
| Project B | Group B | Default B | Delegation B      |
| Project C | Group C | Default C | Delegation C      |
| Project D | Group D | Default D | Delegation D      |
| Project E | Group E | Default E | Delegation E      |
| Project F | Group F | Default F | Delegation F      |
| Project G | Group G | Default G | Delegation G      |
| Project H | Group H | Default H | Delegation H      |
| Project I | Group I | Default I | Delegation I      |
| Project J | Group J | Default J | Delegation J      |
| Project K | Group K | Default K | Delegation K      |
| Project L | Group L | Default L | Delegation L      |
| Project M | Group M | Default M | Delegation M      |
| Project N | Group N | Default N | Delegation N      |
| Project O | Group O | Default O | Delegation O      |
| Project P | Group P | Default P | Delegation P      |
| Project Q | Group Q | Default Q | Delegation Q      |
| Project R | Group R | Default R | Delegation R      |
| Project S | Group S | Default S | Delegation S      |
| Project T | Group T | Default T | Delegation T      |
| Project U | Group U | Default U | Delegation U      |
| Project V | Group V | Default V | Delegation V      |
| Project W | Group W | Default W | Delegation W      |
| Project X | Group X | Default X | Delegation X      |
| Project Y | Group Y | Default Y | Delegation Y      |
| Project Z | Group Z | Default Z | Delegation Z      |

- and in the same time, to double check which **Group Delegations** are not already created for the filtered Project/Group,
- and then, you will create a new **Group Delegation** by selecting :
  - the expected Project or the **Any** option,
  - the expected Group

If none exists, then you can use the empty matrix.

When selecting **Any** option fro Project, the **Group Delegation** will be applied on all projects.

## Modify a Group Delegation

To modify a Group Delegation, just click on the displayed line ...
